

THANKS FOR JOINING THE SUDSY CHALLENGE!

By not changing your clothes this September, you'll be helping to change the lives of friends just like Remington.

Remington is a regular visitor at one of our Darwin shifts.

"It's a fairly simple process - you come along with your washing at about eight o'clock - I get my washing done, and it's nice to see the people here. They're friendly people, easy going."

Remington finds great comfort in knowing that there is always a place for clean clothes and genuine conversation each week.

Thanks to the support of the community, and fundraisers like you, Orange Sky has provided over 200,000 loads of clean laundry and 23,000 warm, safe showers for people doing it tough across Australia.

"[I do washing] sometimes in a bucket, but usually Orange Sky is here. I wouldn't be able to do my washing otherwise."
